This card has an invalid image. Here's a reference to a nested define: My secret!

bold, *italic*, ***bold-italic***, ~~strike~~,
and underline too...

Transparent background color

Here is a background image:

 image and font color change

HTML rendering is **not** simple!

Mid-word formatting is also
possible... but "difficult." :|

Once upon a time, in a far
off land, there was a youthful
child dreaming of adventure
and bravery.

Twice this story was told
without paying the required
royalties.
